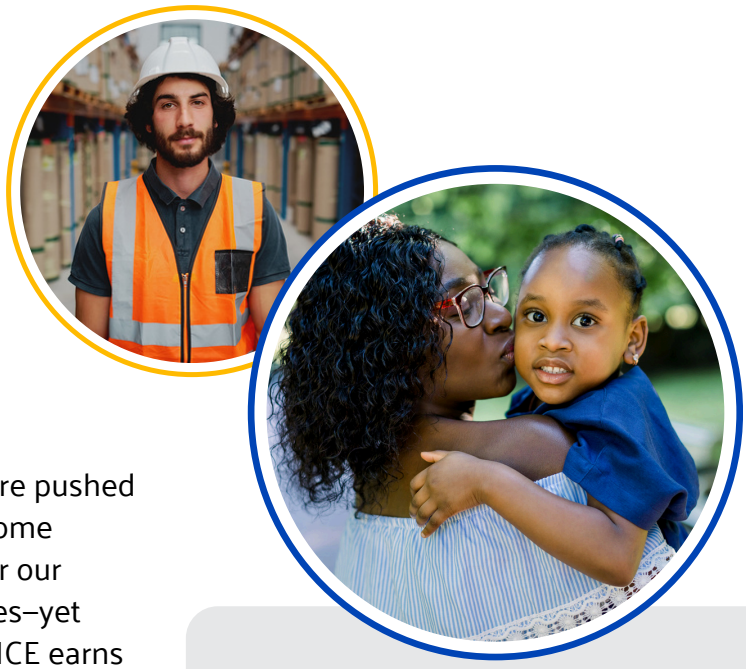
HELP ALICE RISE



Across Anderson County, hardworking families are pushed to the financial brink. **ALICE®** (**A**sset **L**imited, **I**ncome **C**onstrained, **E**mployed) is everywhere–caring for our children, delivering packages, ringing up groceries–yet struggling to afford life's basics. And because ALICE earns above the poverty level, assistance is often out of reach.

United Way of Anderon County is committed to turning struggle into stability for ALICE families. Equipped with our United For ALICE research, backed by more than 350 experts nationwide, we're working toward a future where everyone can afford to save for an emergency and access quality child care and housing that's affordable.

But we can't do it alone. Join the ALICE movement. Together, we can create real, lasting impact for ALICE in our communities.
