

Saturday, June 11, 2022

- 8am Volunteers meet at Westside Community Center Gym for a kickoff
- 9am Volunteers head to project site
- 12pm Day of Action service work completed

Why? Day of Action is a world-wide United Way initiative. We are excited to bring our community supporters together for a day of caring, of serving, and of giving back through time (and muscle!).

What? We will partner each group up with a project for a local agency. Projects will be things like: painting, construction, cleaning, sorting food, landscaping, organizing, and more.

Who? We are asking individuals and local companies to participate in hopes that we will have tons of volunteers! Your team may have to split up depending on how big your team is. Families, church groups, civic clubs, and more are all invited to volunteer! Individuals can also sign up and be placed with a team.

VOLUNTEER INFORMATION

Name of Company/Organization _____

Company or Team Contact Person _____
